ANNOUNCEMENT

DEAR SHORTHORN BREEDERS AND BUYERS

that I have had the pleasure of associating and dealing with over the years and who I will always hold dear in my memory:

I have come to the time in my life when I have to give up this work. This is a hard decision for me to make as it has taken me a life-time to accomplish a herd that I am completely satisfied with. I feel that I have accomplished one satisfaction, but am a little disappointed that my sons Bill and Howard have found it hard to carry on without my help. I do help out keeping Records of the herd which I now find too much for me for a herd of this size. So I think if they can make farming a little easier, they well deserve a change.

Our herd is not classified. I had spoken to Mr. Stoltz early in the winter about having him classify them, as I thought they would rate up pretty well. I was more interested in having our bulls classified, but as we would have to have our complete herd classified I did not think it worth the expense and work for such a large herd. It is worth a lot on paper as it gives the buyer some idea what to look for when he goes over the Catalogue. A good breeder is quite capable to classify his own herd and if he is not he should not be in the business.

In our last sale in 1960 I said it was the last sale catalogue I would undertake and in arranging for a herd of this size I find it much harder to do justice to the herd. I am advertising in a rather wholesale way cutting down on foot notes and size of pedigrees. I am, in short, listing our imported cows that we had purchased, the majority of the herd traces back to those imported cows, and in looking over the imported pedigrees I found the prices paid for each animal and found I had paid out \$22,125.00 for 17 imported cows and in summing this amount up I found four of those cows practically paid for themselves the first year. Why not buy the best?

Please bring this Catalogue with you for both sales. There will be a few printed for the last sale, October 15th.

For Catalogues apply to:

W. A. CULBERT & SONS, DUNGANNON, ONTARIO.
